## Age and price categories

The age at the time of purchase determines the price category.

Example: If your child turns 7 in January, and you plan to go skiing that month, you can still purchase a 0–6 years pass **before** the birthday, and it will remain valid.

Children aged 0–6 years ski for free, but a chip card (NOK 100) is still required.

## Multi-day skipasses

Multi-day passes are valid for **consecutive days only**. It is not possible to take a break or “day off” between ski days.

## Price information

All prices are subject to change and possible errors. The prices listed in the online shop and at the ticket office are always the correct ones.
